

Laura Cozzi

Chief Energy Modeller
International Energy Agency

Laura Cozzi was appointed the Agency's Chief Energy Modeller in 2018.

As Chief Energy Modeller Ms. Cozzi oversees the Agency's work on outlooks and forecasts and is in charge of overall consistency of modelling work and resulting messages. Ms. Cozzi is also Head of the Demand Outlook Division with responsibility of producing the annual World Energy Outlook, the IEA flagship publication. The Division produces medium to long term energy demand, efficiency, power generation, renewables and environmental analysis for the World Energy Outlook and other publications.

Ms Cozzi joined the IEA in 1999, and has been leading several editions of the Outlook, and has been co-author of multiple editions of the report. Prior to joining the IEA, Ms. Cozzi worked for the Italian energy company ENI S.p.A. She holds a Master Degree in Environmental Engineering (from Polytechnic Milan) and a Master Degree in Energy and Environmental Economics (from Eni Corporate University).
